Start

Valid until: 04.10.2016

Postpaid plan	Start 7,99	Start 9,99
National minutes to all mobile and fixed networks in Bulgaria	60	120
Monthly fee	7,99	9,99

ABOUT THE PLAN

With postpaid plans Start (7.99 & 9.99) you make calls to all national networks, without worrying about high bills.

Benefits of the postpaid plans:

- Included minutes to all national mobile and fixed networks in Bulgaria, which are provided monthly.

Good to know:

- The minimum initial call charging time for national calls is 60 seconds. After that the charging is per minute.
- The initial credit limit for postpaid plan Start 7.99 it is 30 BGN and for Start 9.99 50 BGN.

You can view your invoice in electronic format any time following a one-off registration at MyTelenor web portal at <http://my.telenor.bg>. You can also receive information about used services and payable amounts by email.

TERMS

Minutes depletion and validity

- The amount of the included minutes per month, which is not depleted during the billing period, cannot be transferred to the following one.

Charging and calculating of minutes

- For the period, starting from the activation of the postpaid plan to the issuing of the first invoice, you will receive a proportional number of minutes for a proportional part of the monthly subscription.
- When a call forward is activated, the call is charged as a standard call to a number from the network of the relevant operator.
- The minimum initial call charging time for national calls is 60 seconds. After that the charging is per minute.

Changes in the contract or the postpaid plan

- You can change a postpaid plan after the first month from its activation. There is no limitation to the number of changes within the contract period, provided they are performed only once per a billing period;
- You can change the postpaid plan only with a plan with the same or a higher monthly fee and by paying a one-off fee for changing a postpaid plan during the contract term;
- Upon change of the postpaid plan, all remaining minutes, if such are provided by previously used postpaid plan, shall be lost and new will be provided, if the newly selected plan includes such.
